BROAD 'COMBAT ZONE' 19 OUTLINED BY EXECUTIVE

Belligerent England, France And Germany Are Specifically Barred

WASHINGTON, Nov. 4.-(A)-Rigorously applying the newly-signed neutrality law, President Roosevelt today excluded American shipping from virtually all European ports except those of neutral nations on the Media

terranean and Arctic oceans. The law itself, to which Mr. Roosevelt affixed his signature soon after noon, forbids the vessels of this country to carry cargoes to belligerent England, France and Germany. By an additional proclamation, authorized in the law, the chief executive then forbade them to traverse a broad "combat zone" in which there appears to be danger from German torpedoes of British warships.

As pencilled off on the map by the president, and aides from the state and navy departments, the "combat gium, Holland, Denmark, Sweden Estonia, Latvia and Lithuania, or-by way of the Baltic sea-Finland and Finland and Russia may be reached, however, through the Arctic, over the course followed recently by the City of Flint, and Russian ports

TIME TO GET OUT

Christopher Columbus held ento his job too long. When he returned to Spain after discovering what he called the West Indies, he was treated like royalty. Europe went wild over him. He could have had almost anything he wanted in the way of rewards for his remarkable achievement. He could have retired from discovering and colonizing with the way of rewards for his remarkable achievement. He companies states and decorate all the honors and material benefits he could desire. But no. Columbus kept on with his explorations and his efforts to colonize the new world; and came to disappointment, disgrace, and death.

What are they saying about the new Fords?

MAKVELUUS KIDE

North, South, East, West . . . telegrams and letters have been pouring in since the introduction of the big, roomy 1940 Ford cars. And through them all runs the same refrain: "Congratulations on the grand new ride. You've really got something there!"

Of course, there's praise for all the 22 Ford improvements— Finger-Tip Gearshift, Controlled Ventilation, Sealed-Beam Headlamps—and the rest. But the biggest news, by far, is the RIDE!

Cold words can't describe it. You can say it's a combination of softer springs and the new ride-stabilizer on 85-hp models -of improved shock absorbers - of added room and increased quiet-of deep, soft "Floating-Edge" Seat Cushions. But there's only one way to know how skilfully all those things have been blended into serene and soothing comfort. That's to feel it for yourself!

Borrow a new Ford V-8 from any Ford dealer. Let those eight s-m-o-o-t-h cylinders whisk you away from the boulevards into the backwoods. Turn the wheel over to some one else and ride the rough roads in the rear seat.

There's an experience! You'll find yourself measuring comfort for the first time in terms of the noises you can't hear, the bumps you can't feel. It'll open your eyes—if it doesn't lull you to sleep! Try it today.

RITES ARE HELD

Full Military Funeral Accorded Monroe Newspaper Man Saturday

The chancel of the First Baptist church was hidden by a riot of orange-colored, pink and white floral designs of chrysanthemums, carnations and roses, floral offerings as mute testimonials to the memory of Walter LeRoy Butler, 35, member of the reportorial staff of the News-Star and Morning World, whose funeral was held there Saturday at 10 am. Mr. Butler's death occurred from after-effects of an operation performed; less than 10 days ago in a local clinic.

The massive gray metal casket was decorated with a huge United States flag, in recognition of the fact that Mr. Butler was a Leutenant in Company G of the 156th Infantry of the state national guard and was regarded as one of its most valuable officers.

The First Baptist church quartet, directed by D C Black, rendered "Rock of Ages and Abide With Me." Rev. Ernest Duncan Holloway, pastor. of the First Preshver an church, readthe 9th Psalm and offered prayer.

Rev. L. T. Hast mrs. pastor of the
First Baptist church, took for the
theme of his message the idea conveyed from the name "Abide With Me," which he said was based on the 24th chapter of Luke

In his closing remarks he stated "About 25 years ago, in this same room, under the ministry of Brother Farrings n. a little boy and his sister came down the able and presented themselves for haptern. It Likes You, Too

Youngsters know what's good. That's why 7-Up has become a favorite with the young folks as well as the grown-ups. Parents like to have their children drink 7-Up. They drink 7-Up themselves . . . and proudly serve it to old and young. The clear, uncolored "fresh up" drink appeals to all. Enjoy a chilled bottle of 7-Up today. You, too, will say: "I Like 7-Up--it Likes Me!"

THE THREE LITTLE FISHES

SWAM OUT TO SEA

You know why, don't you? Certainly. It was "to see what they could see." And it's for just this same beautifully simple reason that thousands of knowing people run through the advertisements in their daily newspapers. For, it seems, civilized men and women are seldom satisfied with their lot. In this ever-producing age they have an insatiable appetite for something new which may make life brighter. That something may be an electric 1azor, or new summer clothes . . . a good book, or a ride in a streamlined train.

So they turn the newspaper pages to see what they can see. There they're able to find what it is, why it is, where it is, and how much it is. And the advertisements say, "Come and get it!"

ANNOUNCING THE

Scott Truck & Tractor Company

McCormick-Deering Store Monroe, La.

We wish to announce that on November 1st, the McCORMICK-DEERING STORE, formerly operated by International Harvester Company, was taken over by the Scott Truck & Tractor Co., Inc. It will be operated in the future as a privately owned and managed store specializing in selling and servicing International Trucks and McCormick-Deering Farm Equip-

The McCORMICK-DEERING STORE was originally established in order to assure International Harvester equipment users satisfactory service during a period when adequate facilities could not be provided in any other way. Through this arrangement you have been served efficiently and economically. It will be our aim to continue to serve you to your complete satisfaction, giving our closest personal attention to your problems.

We hope you will give us an opportunity to show you our full line of International Trucks and McCormick-Deering Tractors and Farm Machines. Come in and visit with us, or step to the phone and ask us to come out to your place. Demonstrations will be arranged on request.

Mrs. Charles Mitchell, Camp Fire council president, stated Saturday. "The ceremonial in Camp Fire is one of its unique features. It offers an opportunity for girls to articulate their love of the beautiful, to feel themselves a necessary part of a total beauty they could not create singly It is a time, too, for recognition of effort and accomplishment which each girl must have if her growth is to be normal and happy. It gives the girl a warm, comforting feeling of belonging to a friendly circle, and that, too, is a universal need, and the leader will find it a wonderful help in building up that intangible thing we call 'group

Seven Items for Permanence & Beauty

Adequate foundation. Protected from termites.

Johns-Manville fireproof and everlasting roof. Combining beauty with permanence.

Johns-Manville asbestos siding shingles. Fire-proof and permanent. Never require painting.

Permanent sanitary walls and ceilings for kitchen and bath. As easy to clean as glass.

Thoroughly seasoned Grade-Marked lumber insures against shrinkage, which causes unsightly cracks in walls and ceilings.

Workmanship by skilled mechanics insuring sound construction.

Highest grade paints and paper applied by expert decorators. And attic ventilation for comfort.

HOMES and AUTOMOBILES

It is just as easy to buy a home as an automobile. You select your plan and leave all the details to the Monroe Housing Guild. However, when you purchase a home it is a permanent purchase and not traded in periodically as you do your car. It is therefore necessary that you purchase for permanence and not be misled by the party who tells you how "cheap" he can build your home. A "cheap" home is much more expensive than a "quality" home as costly repairs start long before the home is paid for. The average five- or six-room home requires between \$900.00 and \$1,000.00 in paint and labor during the period you are paying for it. Permanent asbestos siding increases your initial cost approximately \$150.00, which costs only 83 cents additional per month on your loan. It is necessary to re-roof at least twice during your loan period at a cost of approximately \$350.00. Permanent asbestos roofing costs only about 90 cents additional per month and gives you protection against fire. In addition to the actual dollar savings in building for permanence you avoid the period of unsightly appearance during the time your side walls and roof begin to show wear and the repainting or re-roofing is done. Before building, consider the above items very carefully and you will always be pleased with your investment.
